

20.02.2007 Change in DanCopter's management

We hereby announce that Susanne H. Lastein will leave her position as managing director of DanCopter A/S as per 20.02.07 as a direct consequence of a disagreement concerning the future development of the company.

It has been agreed that, until the appointment of a new managing director, director Jan Hagemann will enter the position as acting managing director of DanCopter A/S.

Jan Hagemann has previously been the director of Maersk Helicopters and has worked as auditor for Statens Luftfartsvæsen (SLV).

DanCopter looks forward to the co-operation with Jan Hagemann.

Questions to the above can be addressed to the chairman of the board of DanCopter A/S Torben Bjerre-Madsen on telephone number +45 2223 5000.
